Screening Applicants: The Good, the Bad and the Ugly (<https://blog.testdome.com/screening-applicants-good-bad-ugly/>)

Since we're all biased and we use incorrect proxies, why not just outsource hiring to experts or recruitment agencies? After all, they've been screening people for many years, so they must know how to do it right?

Not really. I was surprised to discover that many experts disagree with each other. Everybody praises their pet method and criticizes the others. Many of these methods look legitimate, but are based on...
